**DENTIST.**  
**J. LEWIS** performs every operation  
 on the TEETH, GUMS and MOUTH, on the  
 most modern and approved principles of  
 DENTAL SURGERY.  
 ARTIFICIAL TEETH can be supplied  
 from one to an entire set, to correspond  
 with the LIVING TEETH. They are IN-  
 CORRUPTIBLE; they never change their  
 color, nor do they absorb the saliva or  
 causes of the mouth, consequently they do not  
 cause an unpleasant taste or fetid breath.  
 Of the much dreaded and painful opera-  
 tions heretofore practiced, greatly obvi-  
 ated in extracting of TEETH and clumps of  
 TEETH. J. L. having supplied himself with  
 instruments of all kinds, sizes and shapes,  
 suitable for the occasion, the surgical treat-  
 ment of the TEETH will be of less pain to  
 the patient than ever done heretofore in  
 the U. S. Irregularities of the teeth in  
 children prevented, in adults remedied, &c.  
 &c. From a perfect knowledge of mechanical,  
 chemical and professional operations he  
 feels warranted in offering his services to  
 the public, references can be had as to his  
 practice, judgement and skill, by calling at  
 his room, north east corner of the square,  
 d3 door in Church st. Burlington Vt.

 COOK STOVE**

 the above cut is a representation. To all  
 the advantages of the improved Rotary top,

 who have used them, far supercedes any  
 thing of the kind, yet offered to the public.  
 Those wishing to purchase cook stoves are  
 respectfully requested to examine these  
 before making their selection, as ocular  
 demonstration will better convince the  
 public of the value of the article than any  
 description that could be given. Another  
 recommendation, these hard times is, that  
 these stoves will be sold as low as the com-  
 mon Rotarys of the same size.

**WORM TEA.**  
**DR. M. HITCHCOCK'S** unrivalled and  
 unequalled WORM TEA, a sovereign  
 remedy for worms. Strange and incredible  
 are the effects of these detestable vermin  
 few persons, and it is thought none, are free  
 from them, particularly females and children.  
 Many persons go through a distressing course  
 of medicine, without any benefit, when they  
 might be relieved by using the worm tea.  
 This invaluable medicine has been tested by  
 the experience of more than four thousand  
 persons of various ages, and not one solitary  
 complaint; on the contrary, hundreds have  
 called and unsolicited given their decided  
 preference to it, after trying the different  
 articles sent forth to the public, and pronoun-  
 ced Dr. M. HITCHCOCK'S worm tea un-  
 rivalled and unequalled. For sale by J. & J.

**DR. RELF'S  
 BOTANICAL DROPS.**  
 One of the most efficacious compounds in  
 the Materia Medica, for the cure of that  
 class of inveterate diseases produced by an  
 impure state of the blood, and a vitiated habit  
 of the body, and usually exhibiting themselves  
 in the forms of *Scurvy, Salt Rheum, Leprosy*,  
*St. Anthony's Fire, Fever Sore*, (even when  
 the bones are affected), *White Swellings*, (if  
 applied with Dr. Jebb's Liniment,) *food* and  
 obstinate *Ulcers, Sore Legs and Eyes, Scaldhead*  
*in children, Scoury and Scorbatic Gout, Pimples*  
*or Carbuncled Faces, Eruptive Eruptions*,  
*and Venereal Taints* throughout the body, in  
 which last case the Drops often cure when  
 Mercury fails. They are also the best *Spring*  
*and Autumnal Physic* to purify and cleanse  
 the system from humors which frequently ap-  
 pear at these seasons of the year. They also  
 aid the process of digestion, and by purifying  
 the blood, prevent the secretion of malignant  
 humors on the lungs. The Proprietor confi-  
 dently relies upon the vast number of suc-  
 cessful cures effected by these Drops, not only  
 in Boston and its vicinity, but throughout the  
 union, for the best proof of their excellence as  
 an unfailing *Alterative Medicine*, in all the  
 cases above specified.

This article has recently been pronounced  
 by a physician of the first respectability, who  
 had witnessed its surprising efficacy, as en-  
 titled, in his opinion to take the lead of all  
 the popular articles known for the above com-  
 plaints, and indeed it is fast gaining this point  
 in public estimation, throughout the country.  
 Price \$1 a Bottle, or six Bottles for \$5.

**Dr. Relf's  
 ANTI-BILIOUS PILLS.**  
 For Indigestion, Loss of Appetite, Lowness of  
 Humors, Constipation, Flatulence, Cholic,  
 Bilious Affections, &c.  
 TO comment on the efficacy of these Pills,  
 after a successful experience of many  
 years in England and America has estab-  
 lished their reputation, is needless. Suffice it  
 to observe, that for redundancy of Bile, Flatu-  
 lence, Costiveness, Headache, &c. &c. they  
 will undoubtedly prove far more serviceable  
 than those drastic purges so frequently em-  
 ployed, and will not only at the same time  
 tend to remove the offending cause by gentle  
 motions, and strengthen the digestive  
 organs, but improve the appetite and renovate  
 the system. Price 50 cents.

 RHEUMATISM!**  
 THE excruciating pain—the doctored  
 and delirious, and the premature old
